Re: Mrs. Mills

Interview with: Thomas Coyne, motorman for Street Car Co. in New Brunswick, who was a passenger on the car in which Mrs. Mills rode on the night of Sept. 14, 1922.

Operative interviewed Mr. Thomas Coyne this evening at his home, 101 Senior Street. Mr. Coyne states that he boarded the car operated by John Meany, the night of Sept. 14, 1922 at about 8:10 P.M. at Patterson and George Streets. He had his young daughter with him at the time. He noticed Mrs. Mills all ready seated in the car in the second seat on the right hand side of the car. He spoke to Meany while he rode out and got off at the corner of Senior Street. As he was leaving the car he said "good evening" to Mrs. Mills and also mentioned something about the weather. Mrs. Mills answered him. She was the only passenger left in the car when he got off. He further stated that he has known Mrs. Mills a long time and in his younger days went to dances with her and often saw her at affairs. He does not know Jim Mills very well and only met him about twice. He did not see Jim Mills or Harry Mills the night of the murder.

Coyne further stated that between 8 P.M. and 11 P.M. there were 2 conductors of the Eastern Ave. cars that ran back and forth to the end of the line and that there were 6 conductors on the South Amboy line and 6 motormen who ended their trips at the end of the Eastern Ave. line. Mr. Coyne states that Mrs. Harkins saw and spoke to Mrs. Mills and Dr. Hall as they were walking out Eastern Ave. He informs me that she lives on Richardson St.
